EXPERIENCE

FACEBOOK / UX DESIGNER / MINTBOXX

December 2015 - July 2017

Full-stack design, from wireframes to high fidelity prototyping, brand integration, user research, usability testing, and working closely with developers to consistently ship new products, adding and refining design across a suite of products. Also, helps with creation of the team's design Interface Guide to create a cohesive experience across all new and existing product builds.

MINTBOXX / FOUNDER, DESIGNER

October 2013 - Present

Full-stack UX Designer with a niche in productizing designs to high-fidelity, shippable interfaces. I believe design means creating solutions that ultimately influence behavior. Design for interactions, flows, and interfaces for desktop and mobile. Work includes Facebook, Black Buddha, TEDx, Referberry. Please visit Mintboxx.com
